What attracts you to a worship service?

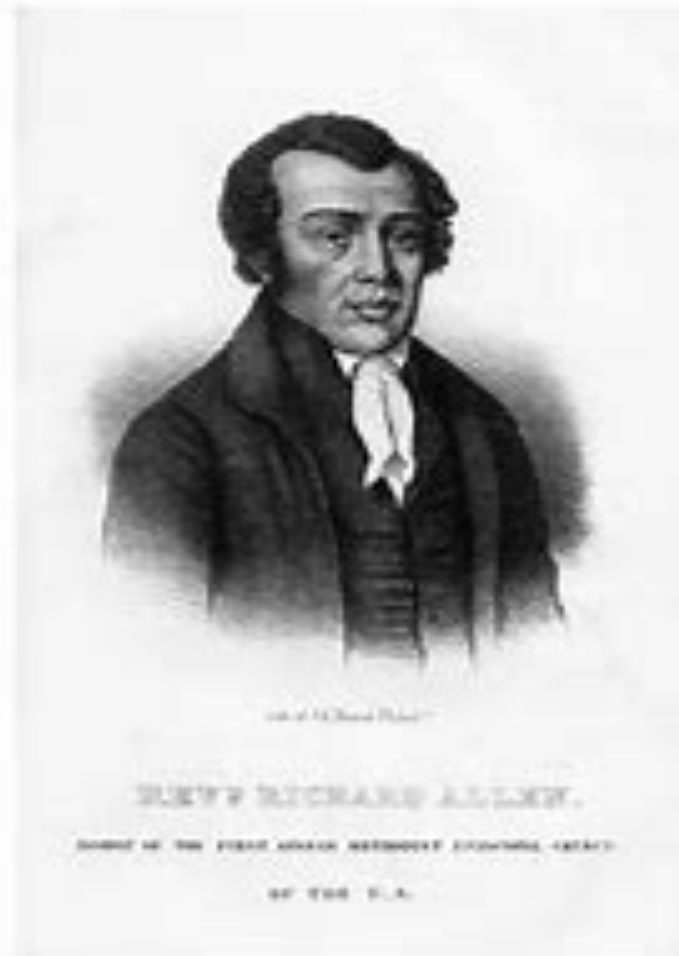

- What do you like from it?
- What do you expect from it?

Segregated Worship – Pros and Cons

- Who benefits and how?
- Who is at a disadvantage?
- What do we miss out on if worship is segregated?

Non-Segregated Worship

First type: Melting Pot Soup

- The individual character of the ingredients is incorporated into a blend
- Emphasizes fitting in to the dominant culture

Non-Segregated Worship

Second Type: Tossed Salad

- The individual character of the ingredients is still evident and valued within the combination
- Power is shared among the cultures
- The author calls this “truly integrated”
