

CPC Kids' Academy Holiday Plant Sale

It is time for our annual holiday plant sale fundraiser and Kids' Academy is partnering with The English Garden right here in Clarendon Hills. Our Tuition Assistance Fund will receive a percentage of all proceeds from plants purchased. This is an important program that allows access to our high quality early learning and care programs for all families.

If you are ordering plants to decorate the sanctuary, they will be dropped off in the church and may be picked up any time after Christmas Eve services. If you are ordering plants for personal use or the Share the Love program, these will be available to pick up at church from **9:30am to 11:30am on Friday, December 2nd**. For additional pick-up times or questions please contact the church office.

Thank you for your support of the Tuition Assistance program!

♥ Share the Love Information

Share the Love Plant donations are a way for you and your family to share the love of the holiday season with a family or individual from our church community at the *beginning* of the Advent Season. Our pastors have identified potential recipients from the CPC congregation that they feel would benefit from receiving a Share the Love plant this year.

To participate simply:

1. Find and check the Share the Love box indicating your participation on the plant order form.
2. Add additional plants to be shared on Poinsettia order form under "Share the Love"

Thank you for considering this Share the Love Plant opportunity.
